

Mission Statement

The Torrance Police Department mission is to preserve public safety and quality of life within the City of Torrance, to respond effectively to the changing needs of the community, and to promote mutual respect between the Police Department and the people we serve.

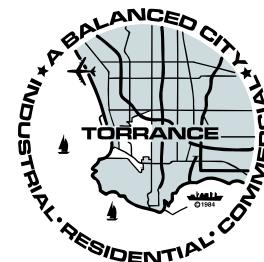

The City

Located in Los Angeles County's South Bay, Torrance borders the Pacific Ocean and beach communities to the west and the Palos Verdes peninsula to the south. Ideally situated near the 405 (San Diego) freeway and 20 minutes from the Los Angeles International Airport, Torrance occupies 21 square miles, including a beachfront and the Madrona Marsh, a fresh-water habitat. Torrance is within a 45-minute drive of many major Southern California attractions.

Incorporated in 1921 and chartered in 1947, Torrance has a population of nearly 147,000 and is the 12th largest city in California. Torrance is a full-service city with an annual budget in excess of \$200 million and a staff of over 1600 in 14 departments. The City has a council-manager form of government with an elected mayor and six council members.

The area enjoys a pleasant year-round climate with warm temperatures, gentle sea breezes and low humidity. The City boasts 46 parks and recreation amenities and six public libraries. The 502-seat James Armstrong Theatre in the Torrance Cultural Arts Center is an excellent venue for professional and local productions.

The community's population is culturally rich with an estimate of more than 80 languages spoken in local schools. Contributing to this diversity are such world-class international companies as Toyota Motor Sales U.S.A., American Honda Motor Company, Hi-Shear Corporation, Robinson Helicopter, Honeywell, Panasonic, and Virco Manufacturing, each of which call Torrance home. Four major shopping centers are located in Torrance, including Del Amo Fashion Center, one of the largest shopping centers in the world.
